3rd cousinds and beyond
for
~ _____
reduces to
Genetic Relatedness
_____
traces
Y Chromosome
indicates
_____
LESSON 7
more in
Personal DNA Sample
scored based on segments of chromosomes sharing
_____
traces
Mitochondrial Chromosome
can be used for
_____
suggests human origins
Genome Sampling and Comparison
of
_____
located on
each expansion experienced genetic
more in
scored based on individual comparisons of
Autosomes and X Chromosome
_____
more in
LESSON 6
_____
traces
Close and Distant
_____
indicates
SNVs match for all humans
of all
_____
greater than
Genetic Identity
